

# Recognize like never before with the Takohl Treasure Ring®

Deliver your message in a most unique and personal way.

Now you can create a private, personal message for your top performers. The Takohl Treasure Ring® offers a one-of-a-kind and truly memorable way to recognize a company milestone, a sales and/or recruiting goal or new service level. Choose among an almost endless selection of ring designs, gemstones, materials and messages to create an award that will never be forgotten.

The original concept was created by award-winning designer, Tammy Kohl, who has received worldwide recognition for her design talents. Her creations are sought after by everyone from Hollywood celebrities to sports legends to royalty.

Each letter or symbol in your message is deeply hand engraved and then enameled to make your special message easy to read.

E.A. Dion is the exclusive licensed supplier of this patented award product to DSA and Corporate markets.

Ready to create your very own Treasure Ring®? See the reverse side for the simple instructions on how to create your custom designed Treasure Ring® and receive a free estimate.

Each Treasure Ring® is protected by U.S. Design and Utility Patent 5,669,241 D392,585 and Canadian Patent #2,249,623.
