

### Progressive Recognition Jewelry

Recognition "best practices" advocates recognizing as many deserving individuals and teams as often as possible. A hurdle to that practice is, of course, the investment. Dion's innovative, "progressive" award products stretch your recognition budget by accommodating future recognition at a fraction of the investment. Complementary, modular elements join together in a variety of ways to communicate a progression of individual or team success.

Clip-on Recognition

Zipper Pull with Charm

Intricate Emblem Jacket for award level designation

Simple Emblem Jacket for award level designation

Rocker Panel and Magnet back

Interchangeable jewel panel

### Fine Recognition Jewelry and Accessories

Effective recognition pays generous dividends to the organization in future performance, productivity and morale. Dion's jewelry solutions represent a recognition "best practice" by providing a memorable award that will be treasured. Accessories, simple and elegant, add style, fashion and flair to your jewelry.
