To Whom It May Concern:

We have been in the jewelry/recognition industry for over 65 years and the last 13 years with E.A. Dion. E.A. Dion had to take on a momentous amount of tooling for rings that had to be recreated. The craftsmanship and quality of their product is beautiful. We feel it is the highest standard in today's industry. Our customers appreciate and acknowledge this superior quality, which we haven't seen for years prior to partnering with E.A. Dion. What has been designed and produced will be honored and cherished over a lifetime of generations. Thank you from the entire family of Bill Fox Co/Fox and Sons Co.

Sincerely,

*Chris Fox*
