Mr. Ted Dion
President

Dear Ted,

As my company celebrates 30 plus years in the Recognition Industry., it has given me pause to reflect on our great success. My ego was saying, well it is because I am honest, hardworking, and brilliant, but in reality much of my success, happiness, and incredible customer loyalty is in great part due to my partnership with E.A. Dion, which spans over a quarter of a century. From artwork to finished product I have never been embarrassed by E.A. Dion and am constantly gratified by the delight my customers have in the quality and beauty of their awards. Interestingly enough it has been the same for a 50,000 piece order or a 25 piece order. I cannot fail to mention your team of Guy, Cindy, Dana, and Dave, we have all been together for such a long time I should send them a 25 year recognition award.

Warm Regards,

Richard Varge'
